SUBJECT: Cancellation Recommendation for
Project Number 69099 Coffman Roads
Paving

I have reviewed the Certified Bid Tab and recommend cancellation of the bids for the subject project. Bicknell, Inc. submitted a low base bid of \$310,555.00. The engineer's estimate was \$172,885.00. The overall bid amounts are summarized below:

Bid Element	Estimate	Low Bid	Over / (Under)
Basic Bid	\$172,885.00	\$310,555.00	\$353,020.00
Additive Alternate A	\$71,025.00	\$106,190.00	\$151,158.00
Additive Alternate B	\$71,525.00	\$85,000.00	\$120,808.00

There is a total of approximately \$282,000 available in Phase 4 funding. After accounting for Construction Engineering and ICAP, there is approximately \$224,000 available for award.

This project is funded by an earmark via FHWA with matching funds coming via the Denali Commission. Coffman Cove is unable to provide the additional funding needed. We plan to re-package and re-issue the project with a reduced scope to bring it within the available funding.

We therefore recommend that this bid be cancelled.
